

HydraSEAL™

by MERLYN

Designed For Peace of Mind

Exclusive To MERLYN Bathscreens

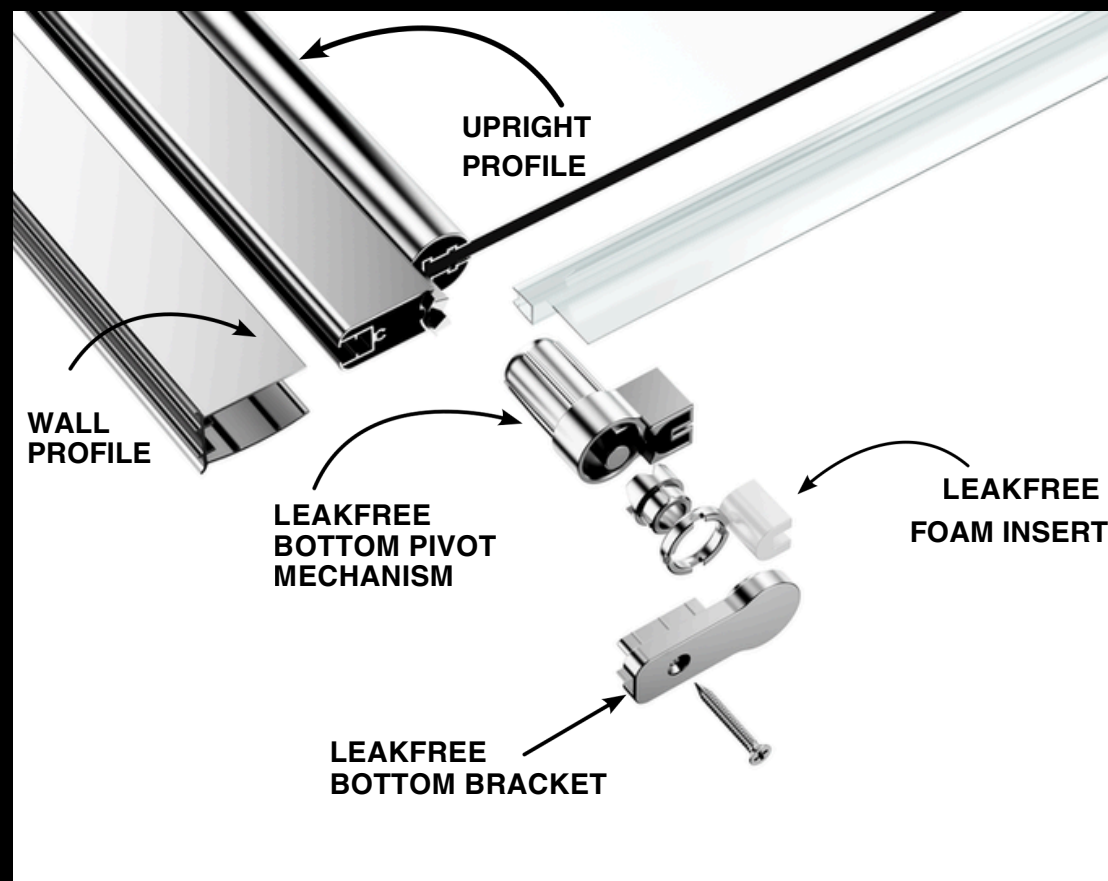

Step into a bathroom experience that feels effortless and reassuring. MERLYN bath screens now feature our advanced HydraSEAL technology, delivering a truly leak-free design for everyday confidence.

By integrating the bracket and pivot into one seamless piece, HydraSEAL removes common leak points, meaning no drips, no stress, just pure enjoyment.

This clever innovation also makes installation quicker and cleaner, so your space looks as good as it feels.

HydraSEAL is Available with following Bath Screens: **MB1 / MB2 / MB3 / MB3A / MB3B / MB3C**

HydraSEAL isn't just about engineering, it's about creating a bathroom you can trust, every single day.
